

Talaat Ramadan

PHP Laravel Developer

📍 Cairo, Egypt ✉ talatramadan10@gmail.com ☎ +20 11 26342642 in [ixtalaat](#) 🌐 [ixtalaat](#)

Summary

Backend Developer specializing in PHP and Laravel, with hands-on experience building RESTful APIs and web applications using Laravel and MySQL. Strong foundation in OOP, MVC, SQL, authentication, authorization, and clean code principles. Focused on developing scalable backend systems and improving business logic and system design skills.

Education

Mansoura University Sep 2019 – Jul 2023
B.Sc. in Computer and Information Sciences

- Overall Grade: **80%**
- Graduation Project Grade: **A+**

Experience

Backend Developer Mansoura, Egypt
The Fourth Pyramid May 2026 – Now

- Developed e-commerce and CMS solutions using clean architecture and SOLID principles.
- Optimized load times and fixed bugs through efficient SQL queries and caching.

IT Reserve Officer Egypt
Egyptian Armed Forces Apr 2024 – Apr 2026

- Developed and maintained an internal web-based system using PHP and MySQL for personnel and administrative data management, while troubleshooting issues, supporting users and improving administrative workflows.

Backend Developer Mansoura, Egypt
Rumoz Sep 2023 – Apr 2024

- Developed and maintained Laravel applications, focusing on core logic and query optimization.
- Enhanced system security through role-based access systems and secure authentication.

PHP Web Development Intern Mansoura, Egypt
Information Technology Institute (ITI) Jul 2022 – Sep 2022

- Completed a 120-hour hands-on training in PHP, MySQL, HTML, CSS, JavaScript, OOP, SQL, and web application development.

Projects

HomeTech – Home Maintenance Platform | [Source Code](#)

PHP, Laravel, MySQL, Blade, Tailwind CSS, Pest, Firebase Cloud Messaging

- Built a full service lifecycle platform (request → approval → technician auto-assignment → scheduling → work orders → invoicing → payment → reviews) with role-based access for customers, admins, technicians, and branch managers.
- Implemented a bilingual English/Arabic UI with RTL layout, translated catalog search with Arabic stemming, and SEO/social meta tags across all public pages.
- Maintained 260+ Pest feature and unit tests covering business rules, plus queued jobs, scheduled monitoring, and push notifications.

Tamayoz – Academy Management System | [Source Code](#) | [Live Demo](#)

Freelance Project

C#, ASP.NET Core MVC, Entity Framework Core, SQL Server, ASP.NET Identity, Docker

- Built full-stack academy website with service catalog, service request booking, portfolio work samples, moderated testimonials, and contact messaging, following service-layer architecture and clean coding practices.

- Implemented role-based Admin dashboard with visitor analytics and request management, EF Core data modeling and seeding, plus production hardening with Docker deployment, security headers, response compression, and health checks.

PickPark – Parking Management System | [Source Code](#)

Graduation Project

Node.js, Express.js, GraphQL, PostgreSQL, Redis

- Developed RESTful and GraphQL backend services for parking reservations, booking management, and availability tracking, implementing modular business logic and clean coding practices.
- Designed PostgreSQL database schemas and relationships for core booking workflows and integrated Redis caching to reduce repeated database queries and improve API performance.

Technical Skills

- **Languages:** PHP, JavaScript, TypeScript, C#
- **Backend:** Laravel, RESTful APIs, MVC, Eloquent ORM, Web API
- **Databases:** MySQL, Database Design, SQL, Relationships, Indexing
- **Architecture & Practices:** OOP, SOLID, Clean Architecture, Layered Architecture, Design Patterns, Clean Code
- **Authentication & Security:** JWT, Authentication, Authorization, Role-Based Access Control
- **Testing:** Unit Testing, Integration Testing
- **DevOps & Tools:** Git, GitHub Actions, Docker, Postman
- **Frontend:** Angular, HTML, CSS, Bootstrap

Courses & Certifications

Object-Oriented Design

Sep 2023

University of Alberta – Coursera

Languages

Arabic: Native

English: Intermediate
